Hi Professor,

As discussed here are the photos.

The agencies of Chinese Government are behind the evil and obscene attacks on Labour Party and her female Leader Jacinda Ardern.

The attacks are continuous from the election campaign.

The attacks are from the Chinese media in New Zealand and especially by *skykiwi.com* (received subsidies in Hong Kong), WTV Group (its radio funded by Beijing), NZ Chinese Youth Federation (run by Community China Youth League) and *HouGarden.com* (run immigration schemes offering fake job offers for Chinese officials' children in NZ.)

Chinese community in NZ is angry especially Chinese media here but dare not to say a word. They wanted to protest against the latest personal and evil attacks on Jacinda but were told by Chinese diplomats in Auckland to shut up.

They also gave order not to translate and publish any spy news about Dr Yang Jian. Chinese Herald only did translation of the New Zealand Herald report once and then its CEO Lili Wang was asked to report to Beijing. She was then asked to attend a training course in China. Our friends also got a picture showed she was in China doing the training. Our friends in the community said Beijing told Mrs Wang if she cannot obey then Beijing will send a chief editor to look after her newspaper. Our newspaper friends told us Beijing send one chief editor to *skykiwi* last year.

The training can be awards. The owners of HouGarden, Skykiwi, AM936 and NZYF regularly attending the training courses. Each time they were greeted by Chinese leaders and the photos will get them more business.

Epoch Times are the only one who did not get support from Chinese agencies. The agencies told all businesses not to put any ads with Epoch Times. We have the first hand experiences of how they can destroy a newspaper.

Our friends in the community said it is a strategy to downgrade the Labour Party because it stopped the plan by them to expand overseas. China also want to stop TPP. They also hate Mr Peters. You are the next.

怀孕新闻出来到现在老皮选择啥也不说，登位一个只有11%选票的总理。而47%选票的国家党领袖却为阿登说了好话。这样的逃避真的好吗？

现在政治斗争都玩出这种花样了?? 为了扳倒国家党另外两个垃圾党早就预谋好了: 你支持我们工党上位, 我就把总理的位置给你。放心过一阵子那个工党的总理就会在产假期间发生身体不适, 老皮继续干吧, 怎么high怎么折腾。

认"干爹", "教父", 当然要找精明能干的人啦! 老皮的精明, 在纽西兰政坛无人匹敌!

老皮太精明, 很多想移民, 又希望落空的人, 以及那些人的家人, 恨死老皮, 所以, 留言充满了谩骂, 污蔑.....

有了这层关系, 下届大选, 工党, 优先党成了铁杆同盟, 只要绿党不作反, 再加上绿党的信心支持, 工党连任的几率达到95%以上, 赢定了! 🙌😁
